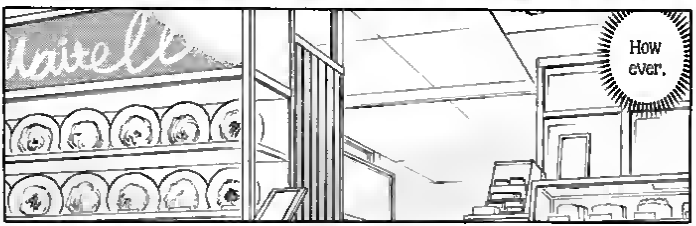
summary up to the last episode.
Our lonely 'TokuOta' Nakamura came to the show.
She met Yoshida san there and finally made a friend.
Yoshida-san
Very good at taking pictures
Nakamura-san
Always moving in step finally



How ever,

I'm seriously at my limit here.
Should we just ask for email addresses...?
I worked up the courage to ask her out for tea.

Chapter 6: For My Friend

Oh.
Yoshida san, do you go to shows often...?
Yes.
I want to ask for her contact address and go around together to do various things.
Umm...
Err...
But it's scary giving out personal information to someone you just met, so above all...
I have pictures...
The hall was narrow, so it was on my phone.
They're all Triger.
Yoshi da san.
What part of Triger do you like?
Yes.

There are genuinely a lot of people also watching tokusatsu.
The so-called handsome actor
Before
After
In tokusatsu, there are many young actors that are employed,
and people call it "the gateway to success".

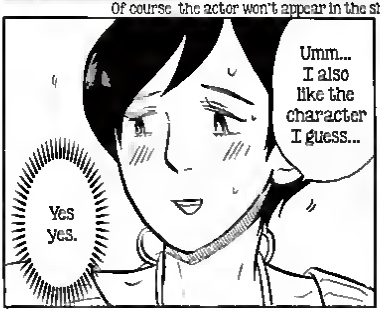
▲Triger

Even if she simply says "I watch Tokusatsu" there will be a large rift.
It's like reading the sports paper to try and touch on erotic articles
I'm not reading that
I do think that Triger's massive body is spectacular...

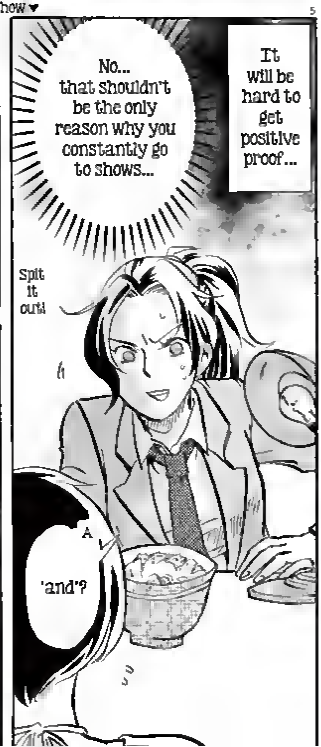
4

Of course, her partner is thinking the same thing.
So.
Super ass
Ass is the most important part of the suit.
Well...
And
I wonder if it's okay to say that I like Triger's ass...

Of course the actor won't appear in the show▼

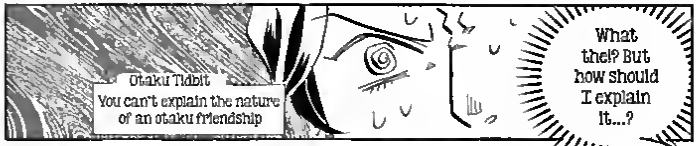


It is the fate of weak people to die sooner or later!
There was that episode where Triger's old friend switches sides and sold out his friend...
Episode 13.
Triger's old friend, Fugi-san. (post-betrayal)

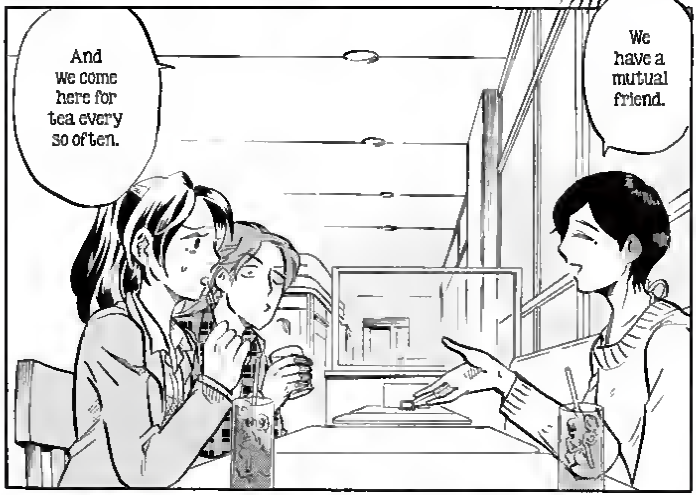


So true, that episode
Got it...
That was such a nice episode!
Ha ha ha
It felt a little like Triger wouldn't bend to it...
Oh my god!?
Is that you, Nakamura-chan?
Yes!
6
No way! But I don't have a reason to refuse him!
Your friend~? Can I take the seat next to you?
You're sitting before I said okay!
Ah!
That karaoke... umm...
Mascot boy!!
*Nakamura has a habit of making up names for her own sake

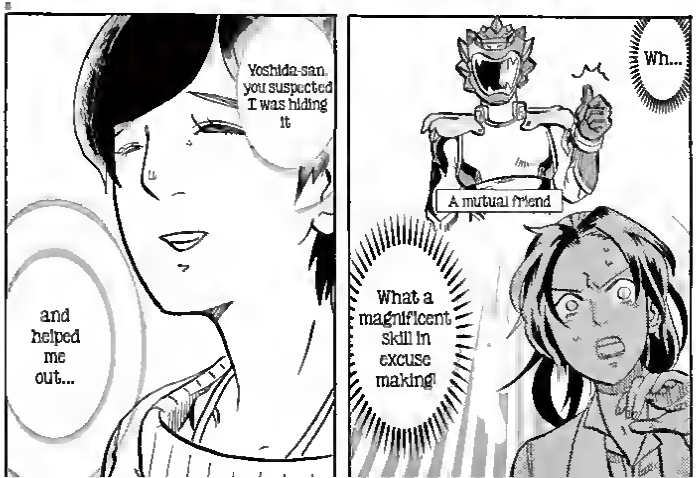
Nakamura chan, you sang that Emer thing.
Eme-rjas-on...
Well, we're in different departments.
We met in karaoke before.
Is that your coworker?
Umm
How do you know each other?
Oh.
And you two?
That's not it, Yoshida san!
Well, see...
Uh, umm...
Hey wait! Stupid mascot boy! At the rate you're going, it'll look like I'm an open otaku.



Otaku Tidbit
You can't explain the nature of an otaku friendship
What the!? But how should I explain it...?



We have a mutual friend.
And we come here for tea every so often.



Wh...
A mutual friend
What a magnificent skill in excuse making!
Yoshida-san, you suspected I was hiding it
and helped me out...

I'll take your glass.
Yoshida san's also hiding it, it seems...
Here~
Th
Thank you very mu
PAK
I-
I'm so very sorry.
CRASH!
It's fine.

Um
Uh
Yoshida-san, you like this sort of stuff?
Oh crap! She can't escape from this! If I interfere in this badly, they'll find out I'm one too!
The photo she showed me before.
Oh, what's this?
The normalfag looks at the photo with no bad intention.
Nakamura-chan watches kid's shows!
Nakamura-chan watches kid's shows
Eww
That's so laughable
No way
Yoshida-san, what part of Triger do you like...
Triger's old friend switched to the enemy's side
But Yoshida-san helped me out a while ago.
It felt a little like Triger wouldn't bend to it.
That's true.
Will I abandon her here?
Ah.

Though I
am your ally and your friend.
I won't forgive betrayal here!
I see.
But he is just a tactless man who sticks to his muscles!!
Ow!
What did you say you damn fool?!
He swore here too.
Triger raised his hand out of anger.
Stop it!

Yoshida san likes that part of Triger...
For those who sell out their friend to survive.
What point is there to even wanting friends?

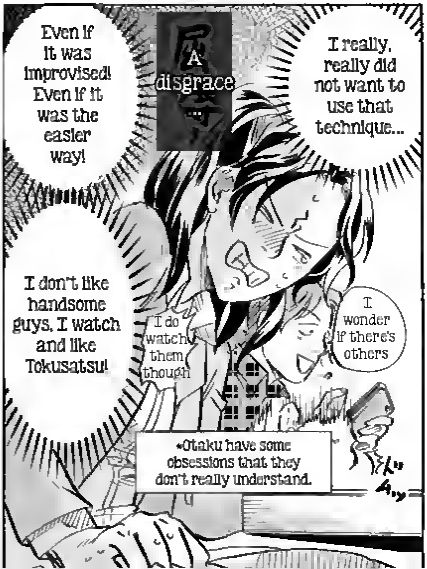
同僚の始末は
I will suppress
私が断
my old friend's failure!!
——!!

I...
What's up, Nakamura-chan?
She showed me lots of pictures.
Tsuchiya Kyousuke (19) Plays Triger/Gou
I like Tsuchiya-kun.
So Yoshida san sometimes has photos of him.
I saw it, I saw it!
The really popular one
Like, that one Ogawa drama before.
The one, uhh, foot soldier got stabbed and died.
Mascot Boy, you fool... You fell for my trap!!
I also thought that this guy sure is nice in that.
He sure is-
He left his wife and child!
Ohh! There sorta was one! I cried! There!
13

The 'I Like guys' position!!
Now, as one-
Secret technique
The power of handsome guys
The mysterious bazooka again

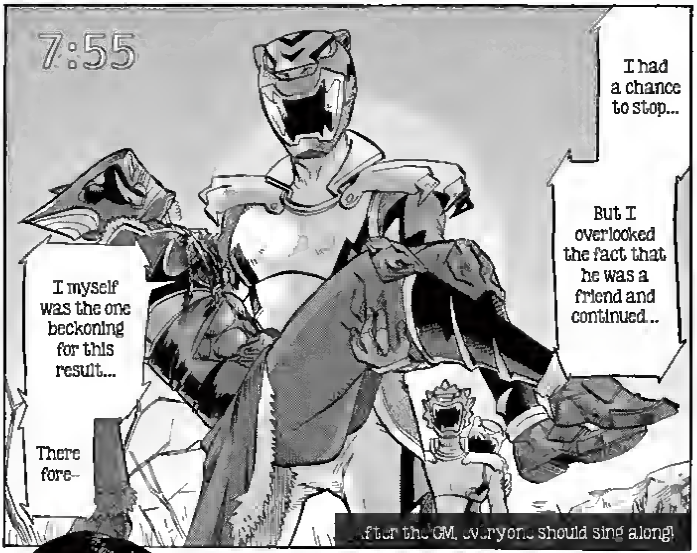
He's not an actor, but a guy in a suit.
Then that Tsuchiya guy is doing this blue fellow.

I like the actor
Then... Yoshida san should also have been same back there...

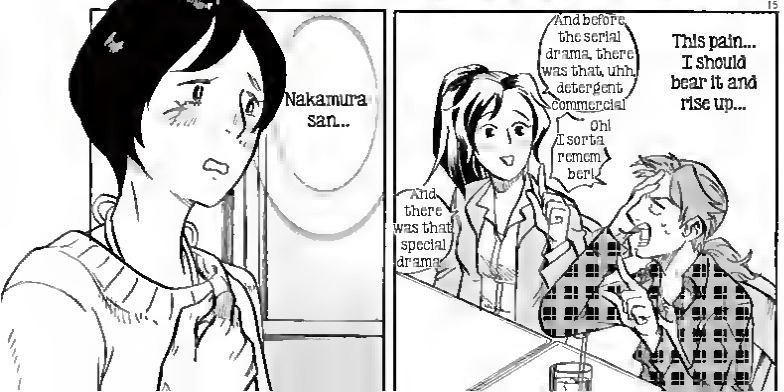


Even if it was improvised! Even if it was the easier way!
A disgrace...
I really, really did not want to use this technique...
I don't like handsome guys, I watch and like Tokusatsu!
I do watch them though
I wonder if there's others
•Otaku have some obsessions that they don't really understand.

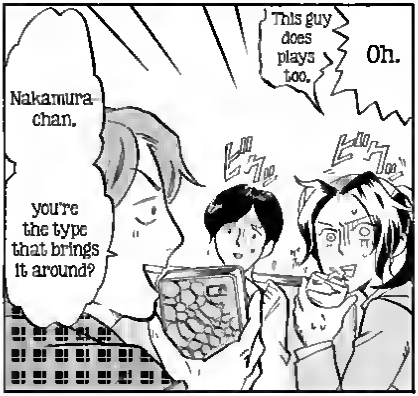
I tried to make Yoshida-san break the ice
and have her speak.
What part of Triger do you like?
I should have been the one prepared...



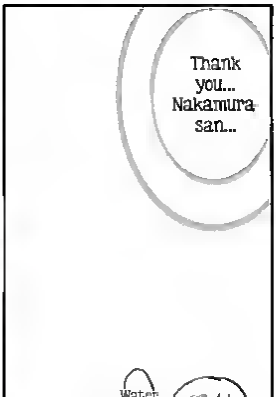
7:55
I had a chance to stop...
But I overlooked the fact that he was a friend and continued...
I myself was the one beckoning for this result...
There fore-
...fter the GM, ev...ryon... should sing along!



Nakamura san...
This pain... I should bear it and rise up...
And before the serial drama, there was that, uhh, detergent commercial
Oh! I sorta remember!
And there was that special drama



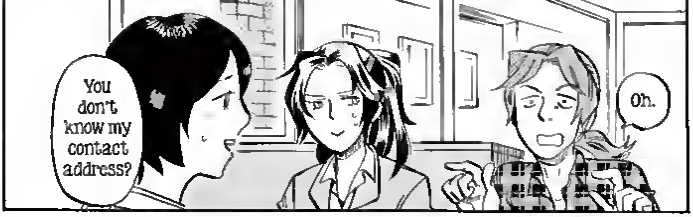
Nakamura chan,
you're the type that brings it around?
This guy does plays too.
Oh.



Thank you... Nakamura san...

Go, go!
It'll be fine if the two of you go, right?
Can we just stop talking about this?
I'm not a ticket holder, and being alone's a little...
Uh.. oh... yeah...

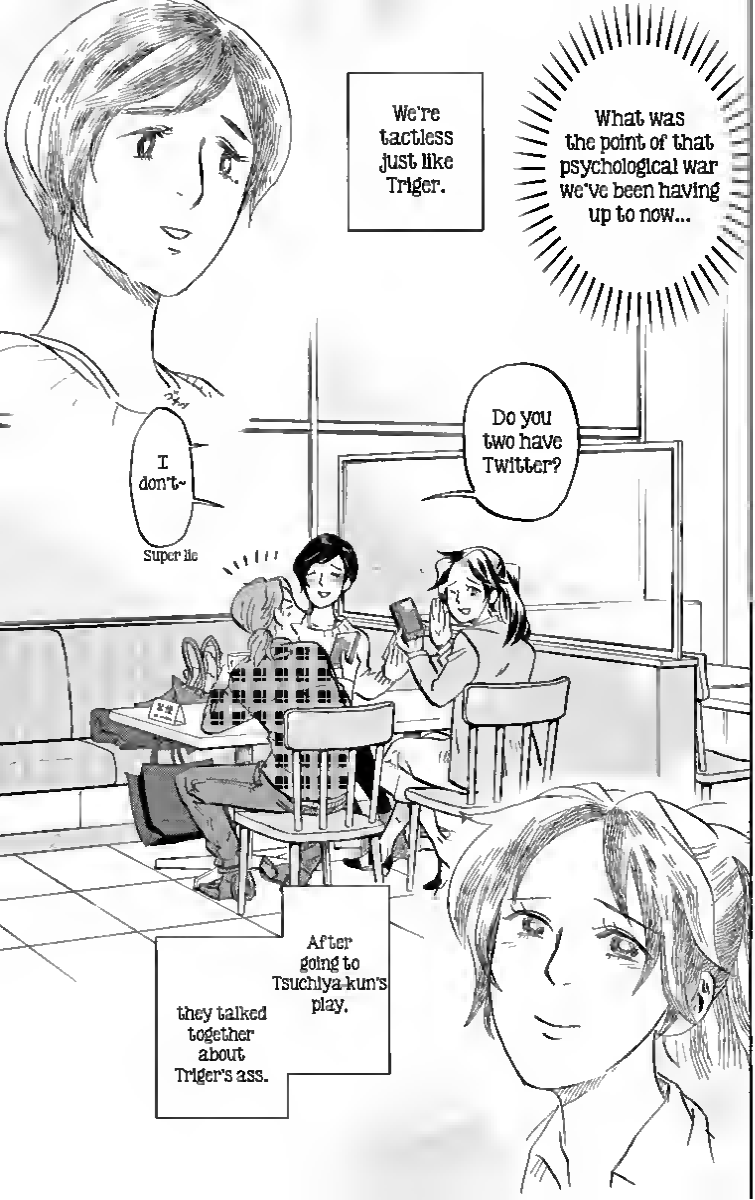
Water please.
Ok.
Whoa, he was here too.



You don't know my contact address?
Oh.

Then how about the three of us exchange addresses?
Ohh~ What's up with that? Lame, man.
We've all just met here.

Sure sure! I want to go to that play with you too~!
That's true! Are you okay with that Yoshida san?
Th-



We're tactless just like Triger.
What was the point of that psychological war we've been having up to now...
Do you two have Twitter?
I don't~
Super lie
After going to Tsuchiya-kun's play,
they talked together about Triger's ass.
